I understand that cancellation of this class as well as any on the water sessions is at the sole discretion of the Windsong Sailing Academy. Full refund or credit toward future classes is at my discretion in the event classes are canceled by Windsong. I am advised that classes are conducted year round **regardless of rain, shine, snow or temperature**. I realize that these are realistic sailing conditions for which I must train if I am to become a competent sailor and acquire the necessary skills for safe sailing. I realize that there will come a time when this training may become life saving!

In the event I cancel my registration for this or any other class, I understand that *in order to receive a refund, Windsong must be notified of cancellation four (4) days prior to the date classes are to begin*. For my benefit and in respect for the other students and Windsong staff, I understand that if I register for a class or sailing outing and do not attend for any reason, I will be legally responsible for the fees associated with my registration unless I provide **4 days prior notice** of my cancellation.

I acknowledge that photos taken by staff during class or socials may be used to promote Windsong and the sport of sailing. Should I request the elimination of any specific photos my wishes will be granted as it not our intent to embarrass anyone, merely to promote the sport of sailing.

I acknowledge and understand that sailing can be a dangerous sport with potential for accidents and death. I further understand that, although proper boat handling, safety techniques and procedures will be explained by the instructor, I release Windsong Sailing Academy, their staff, and agents providing classroom, and docking facilities, from all liability from any bodily injury that may occur during this course. I understand that due to insurance restrictions of Windsong's underwriters and binding agreements with Windsong's governmental, private and other agents or assigns, that without this understanding and agreement I will not be allowed to participate in Windsong classes, outings or other programs.
