

Have an "Attack" today!

Pirates did affect change in the early world of business development.

They were "Agents of Change" creating a competitive and often risky venue within which these entrepreneurs adapted and flourished or became complacent and extinct.

Today's competitive business arena requires quick and calculated adaptation.

The fun and thought provoking drills and staged scenarios aboard our boats will challenge your staff to creatively and methodically address situations very similar to those of your rapidly changing market space.

If your team has a spirit for adventure or the desire to avoid another boring staff meeting, our Corporate Adventures may very well be the escape you've been looking for.

To affect real change in today's competitive and strenuous environment requires a Pirate's attitude.

WELCOME ABOARD!

I'd like to personally invite your team to participate in our **Corporate Adventures** program which is designed to create teamwork in an environment conducive to change.

This program offers a unique approach to a common problem. Work can be fun and the same can be said for learning. Often times neither are much fun because we've forgotten how to enjoy ourselves in the work place.

Our Pirate themed Corporate Adventures set the stage for exploring and reinforcing team dynamics. Our program specializes in small team themed escapes for 4 hours of structured fun filled sailing adventures.

The Adventures can be customized to fit your corporate mission or goal, be it leisure, problem solving or team building.

Start An Annual Tradition!

Our themed approach allows the team to seek, accept and manage change by acting as "Pirates, Agents of Change". Each adventure instills humorous and meaningful antidotes that carry important messages on interpersonal dynamics and values.

If you would like to add fun to your work place and empower your staff to become "Agents of Change", Windsong Sailing Academy has the answer for you.

Bold Change Requires Bold Moves.

Make Your Move Today With

Windsong Corporate Adventures.
